

## CRESCENT CITY CYCLISTS Bicycle Touring Club • MEMBERSHIP APPLICATION

The Crescent City Cyclists welcome cyclists of all abilities. Non-members are permitted on two rides before joining the club. Membership extends for one year from the date you join. New members are encouraged to try the "introductory" city and country rides. All rides are "free" to members except special events. Please notice the word ride, not race.

The scenic roads on the North Shore provide a stress-relieving country experience, riding at your own pace following a mapped route. Due to limited parking at some country ride starts and to save gas, car-pooling is encouraged. City rides may be fast or slow, but are always group outings which sometimes stop for breakfast or lunch. Feel free to call ride leaders about any concerns. In addition to the regularly scheduled weekend rides, the CCC also sponsors workshops, annual century rides, overnight tours, and various social events.

Helmets are required on all CCC rides. Be prepared to repair flat tires. Carry a patch kit, spare tube, pump, tire tool, and water and snacks, especially on country rides. Always ride as near to the right side of the roadway as practicable. Cycling can be dangerous and only becomes relatively safe when the cyclist is well informed, careful, law abiding and has gained experience on the road.
